

Kentucky Crosswords Presents:

How well do you follow instructions?

Starting with number 1 below, and continuing in order through number 10, carefully follow the instructions in each clue to find the answer word. Write your answer in the blank to the left of the corresponding number.

- _____ 1. Name a four letter word that begins with "R" that is the name of a tool used to gather leaves.
- _____ 2. Change the first consonant of the answer from number one above to a "B" to form a word describing what an oven will do.
- _____ 3. Change the first vowel of the number two answer word to an "I" to form a word that names a type of transportation.
- _____ 4. Change the first consonant of the answer word from number three above to an "H", to form a word that can mean "walk".
- _____ 5. Change the second consonant of the answer word from number 4 to an "R" to form a word meaning "to employ".
- _____ 6. Change the first consonant of the answer word from number 5 to a "T" to form a word meaning "exhaust or bore".
- _____ 7. Change the second consonant of the number 6 answer word to an "M" to form a word that names what a clock tells.
- _____ 8. Change the first consonant of the number 7 answer word to a "D" to form a word that names a coin.
- _____ 9. Change the second consonant of the answer word in number 8 to an "N" to form a word that means "eat".
- _____ 10. Change the first vowel of the number 9 answer word to an "O". What do you have?
